

Moderator: Jan Pels, Project Coordinator, Region 5

Speakers: Jan Pels, Michael Gifford and Matthew Didier, Region 5

Description: The U.S. EPA recently revised their Proposal Guidelines for Brownfields Grants, which are funded under Small Business Liability Relief and Brownfields Revitalization Act (aka Brownfields Law). In anticipation of the next request for proposals under these new guidelines, Region 5 EPA is offering this second of two Clu-In informational sessions to prospective communities that may wish to compete for these assessment, cleanup and revolving loan fund grants.
